Some Problematic Bipartite Nominal Predicates in Demotic

http://oi.uchicago.edu/pdf/bipartite_nominal_predicates.pdf

* * * * *

Although Charles Jones is no longer in charge of the Oriental Institute's Research Archives, he still actively maintains several vital electronic resources for ancient Near Eastern studies just as he did during his tenure in Chicago. Thank you, Chuck, for your continuing service to the field, and our faculty, staff, and students.

IraqCrisis

A moderated list for communicating substantive information on cultural property damaged, destroyed, or lost from Libraries and Museums in Iraq during and after the war in April 2003, and on the worldwide response to the crisis. A component of the Oriental Institute's response to the cultural heritage crisis in Iraq, this list provides a moderated forum for the distribution of information.
