Miguel Civil published a study of a Sumerian folktale, "Enlil and Namzitarra," in Archiv für Orientforschung, and hopes to publish several new texts in 1979/80: "Letter of Sin-iddinam to Utu: A Copy from Kouyunjik," "Enlil and Ninlil: The Marriage of Sud," and a fascicle of Sumerian literary texts from Susa prepared in collaboration with the late Maurice Lambert. Mr. Civil will see through the printing of the Catalogue of Sumerian Literary Texts (Handbuch der Keilschriftliteratur IV) and prepare the final manuscript of a book on Sumerian writing and phonology which will include a critical index of Sumerian values of cuneiform signs in the most important sections of MSL.
